RHINOZ
ARMOUR TEXTURE
Waterproofing Textured Paint

A ready-to-use acrylic emulsion that provide both aesthetic and waterproofing function to prevent leakage from cracks for both interior and exterior applications. The paint is specially designed to apply with texture roller to create pattern and dimension to camouflage crack and allow flexibility. It provides high durability and adhesion to various surfaces such as concrete, mortar, fiber cement, gypsum board, etc. It contains antimicrobial agent that prohibit growth of fungi and algae, for longer usage when exposed to weathering.

Application

1. Apply 1 coat of RHINOZ Primer Bonding using roller and leave to dry for 15-30 minutes.

2. Stir RHINOZ Armour Texture until well mixed and apply 2 coats using texture roller with 1-2 hours dry time in between coats.

3. Leave to dry for 24 hours before usage.
